

uiLogos

Sketch Plugin + Logo files

L I C E N S E

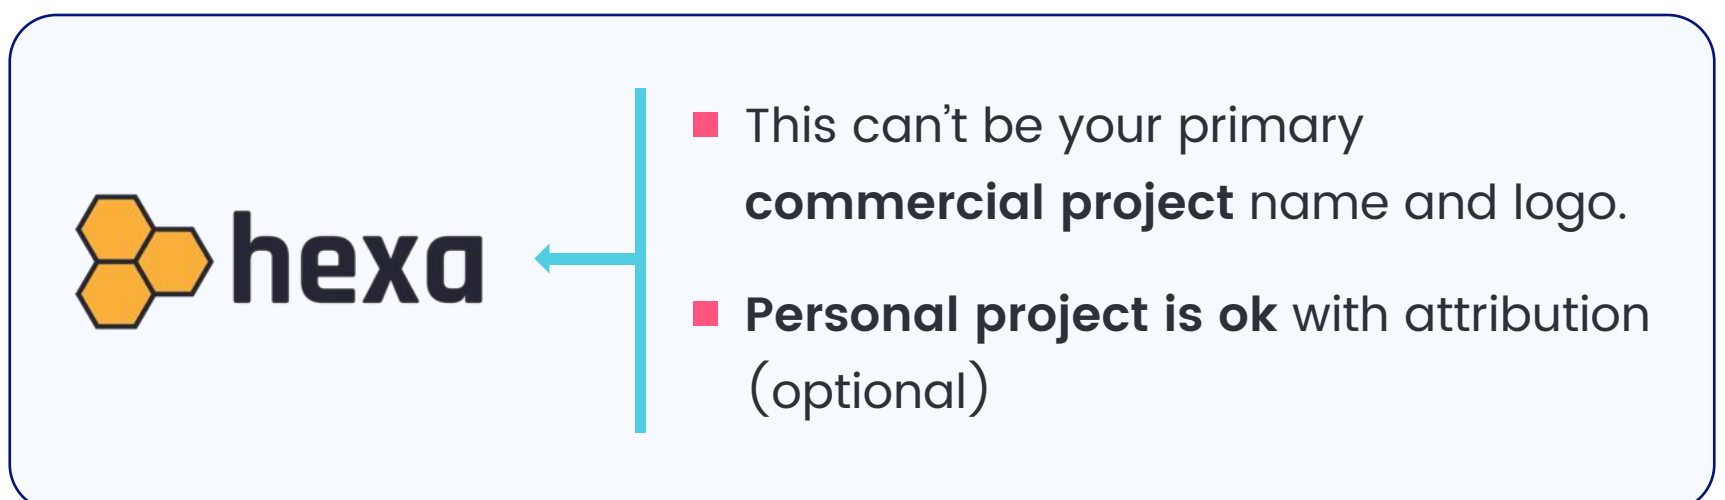

You are free to use:

- For both personal and commercial projects as dummy placeholders of your design/mockup.
- In a website or presentation template or application or as part of your design/mockup with any changes, Like - you can change change color shape etc.
- Not required to attribute or link to this project.
Appreciated you do so 😍
- Plugin is open source with license MIT. You are free to use in your project

You are not allowed to:

- Sub-license, resell or redistribute it.
- Don't use logotype/logomark directly in your any project as primary element, Like - you can't use all these logo as primary logo of specific project without **10x modification**

Example:

The example shows a logo consisting of three orange hexagons and the word "hexa" in a bold, black, sans-serif font. A light blue arrow points from the logo to a list of two items:

- This can't be your primary **commercial project** name and logo.
- **Personal project is ok** with attribution (optional)

- Plugin is open source with license MIT. Source code is open to use but we reserve the right for data (all logos).

Note: We reserve the rights to change content, resources, prices and revise license in any moment.
